Dated Bangalore, the 6th April 1943.

DEFENCE WORKS IN INDIAN STATES.

SIR,

The Political Department write that in order to fulfil operational and other requirements for the defence of India, a number of defence works have been and may be sited in Indian States. For this purpose land is requisitioned or acquired and the Central Government's general policy in regard to such requisition or acquisition is that the land should not be purchased, unless absolutely necessary, but leased by the Central Government for the duration of the war or for such shorter period as may be necessary. At the end of the war, it will be necessary for the Central Government to review the whole position and decide whether they wish to retain any of these projects. In this connection they desire to compile a complete record of all land in Indian States leased or acquired by them or placed at their disposal free of rent.

2. I am therefore to request that, if there is no objection, particulars under the following headings may kindly be forwarded to this Residency (in triplicate) in respect of every defence project which has been or may hereafter be located in the Mysore State for the

duration

duration of the war:-

(1) Nature of the project:- e.g. Airfield, Ordnance Depot, etc.
(2) Exact location.
(3) Exact area of land acquired by lease or purchase, or placed at Government's disposal free of rent by the State, together with a plan showing the boundaries of the land (only one copy of the plan need be sent).
(4) Precise terms on which the land has been acquired or leased on behalf of Government.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.
